Downfall 24

Soilwork

I bet you've had another downfall
It's time for me to get it right
You're takin' it, takin' it, takin' it, takin' it, takin' it too hard
Don't hesitate to paint your walls with blood
It's in me, it's in you, don't you hold back the truth
'Cause I can't feel nothing without a confession from youWe couldn't go on like this, you know
We shared a moment that refused to grow
We couldn't go on like this, you know
We shared a moment'Cause I know we meant to never be afraid
But I knew impossible
We made our visions look like something that would stay
So it's true, we closed the dealI said to you, "Don't make it worse, no
It's time for you to make it right"
I let you rule my world back then, you know
I was blind, couldn't find
I was blind, couldn't find
The true essence of our lifetime without a confession from youWe couldn't go on like this, you know
We shared a moment that refused to grow
We couldn't go on like this, you know
We shared a momentWe couldn't go on like this, you know
We shared a moment that refused to grow
We couldn't go on like this, you know
We shared a moment'Cause I know we meant to never be afraid
But I knew impossible
We made our visions look like something that would stay
So it's true, we closed the dealYou're saying to me
"How could you do such a thing?"
'Cause I've paid, every mistake
Building a void, impossible to replace'Cause I know we meant to never be afraid
But I knew impossible
We made our visions look like something that would stay
So it's true, we closed the deal, downfall's getting real
