Down On Your Back

Ida

Down on your back
All of your secrets collide
You rise and shine
Lost in your world
Just killing time
Nobody knows
The gift gets so lost behind the lies
Get to the point
Before you dieLight coming down to the groundTime doesn't hold up
It gets folded in your eyes
That's why you try
To write through the day and all the night
Crushed by the joy that seeps from this site that pulls you in
You try again
Light coming down to the ground
