

Black Water (Chris Taylor of Grizzly Bear remix)

Of Monsters and Men

I need nothing to travel the sea
I need nothing
I need nothing But there's something eating at me
Black water
Take over Swallowed by a vicious, vengeful sea
Darker days are raining over me
In the deepest depths I lost myself
I see myself through someone else The strange silence surrounding me
Grows closer
Feels colder But I'm ready to suffer the sea
Black water
Take over Swallowed by a vicious, vengeful sea
Darker days are raining over me
In the deepest depths I lost myself
I see myself through someone else
