

Done All Wrong

Black Rebel Motorcycle Club

Done me wrong
Done all wrong
All the wrong I've done
I'm sure I'll live quite longDone all wrong
Done me wrong
All the wrong I've done
I'm sure I'll live quite, quite longAll the wrong I've done
Will be undone in song
All the wrong I've done
Will be undone in songIf you're doing wrong
If you've done all wrong
You can rest assure
You're gonna live quite longIf you've done all wrong
You're doing wrong
You can rest assure
You're gonna live quite, quite longAll the wrong you've done
Will be undone in song
All the wrong you've done
Will be undone in songWe're doing wrong
We've all done wrong
If we do no wrong
I'm sure we would be gone
