Hailey

Marques Martin

And itâ€™s winter time
And these girls hit the gym, skipping out on dinner time
Getting ready for that summer â€˜cuz the last one was too real
And that ass is crazy
I think this how the truth feels
And the way they pull the strings

I think this a new film
And i swear we doing the most
Like whereâ€™d you get that advice from?
An instagram post? A twitter tweet?
At first sight my jaw may have hit the concrete
So at night time i donâ€™t think itâ€™s really hard to find me

(Hey Hailey, hey hailey, hey hailey)
Iâ€™m running towards you
(Hey Hailey, hey hailey, hey hailey)
I cannot find you
(Hey Hailey, hey hailey, hey hailey)
Iâ€™m running towards you
(Hey Hailey, hey Hailey, hey Hailey)
I cannot find you

And iâ€™m so sincere
that i think iâ€™m going crazy
And iâ€™m so sincere
that i think about you sayinâ€™ to me
And iâ€™m so sincere
that i think iâ€™m going crazy
And iâ€™m so sincere
that i think about you sayinâ€™ to me

And i know i ainâ€™t fight
And i know that ainâ€™t right
And your fathers intimidating?
But hey thatâ€™s alright

Because iâ€™m as smooth as your skin
Iâ€™m a mannequin of a genius
It says that on my resume

Just one of many accolades
Just [???]
I knew what you would say

You said youâ€™re Puerto rican
Well [???]
Karaoke [???]
Joshâ€™s [???] I was kanye
You laughed at all my mistakes
And i hope you donâ€™t take this the wrong way

But you really blind my eyes
Like iâ€™ve been in the dark so long
And you finally turned on the lights
Readjusting my vision
Iâ€™ve readjusted my mission
And you ainâ€™t like them girls who sin
Like [???] I found my soulmate again!

And i know the oceans big
But you one of one chick
And even though that i canâ€™t swim
Iâ€™ll still jump in that water

And i know you write poems
so the metaphor shouldnâ€™t bother
And i shouldâ€™ve been on my pursuit
because scarecrows hide the best fruit

(Hey Hailey, hey hailey, hey hailey)
Iâ€™m running towards you
(Hey Hailey, hey hailey, hey hailey)
I cannot find you
(Hey Hailey, hey hailey, hey hailey)
Iâ€™m running towards you
(Hey Hailey, hey Hailey, hey Hailey)
I cannot find you

And iâ€™m so sincere
that i think iâ€™m going crazy
And iâ€™m so sincere
that i think about you sayinâ€™ to me
And iâ€™m so sincere
that i think iâ€™m going crazy
And iâ€™m so sincere

that i think about you sayinâ€™ to me

And i could move to new york
And i could talk to you on the daily
But i ainâ€™t got no money
And that APR is crazy
And my backside ainâ€™t lazy
But itâ€™s winter time under the sun
And itâ€™s so cold you could probably rob me with a damn water gun

(Hey Hailey, hey hailey, hey hailey)
Iâ€™m running towards you
(Hey Hailey, hey hailey, hey hailey)
I cannot find you
(Hey Hailey, hey hailey, hey hailey)
Iâ€™m running towards you
(Hey Hailey, hey Hailey, hey Hailey)
I cannot find you

And iâ€™m so sincere
that i think iâ€™m going crazy
And iâ€™m so sincere
that i think about you sayinâ€™ to me
And iâ€™m so sincere
that i think iâ€™m going crazy
And iâ€™m so sincere
that i think about you sayinâ€™ to me
