

# Uh Oooh (remix)

## Lumidee

Whooh, yeah  
'Ey yo techs move it looks like it's gonna be one of them hot summers  
Yeah, busta bust down  
(Uh uh, uh oh)  
Here we go  
(Uh uh, uh oh)  
Flip mode  
(Uh uh, uh oh)  
Lumidee  
Hey yo, ya know why she going, "uh oh," right?  
(Uh uh, uh oh)  
Check it  
Yo Prada hotter all over my Copacabana mama  
I got a lot of shit with you and I'm love your persona mama  
Always love to get with you, ever need any, mama, holla  
How you check me and give me the oochie walla walla  
Swallow a couple shots of the yak and make a dolla  
Lil' mama in the crib with a focus to be a scholar  
Type of example other shorties might need to folla  
Not a chick in the bug, it come with a li'l shop o' horrors  
Take you to the Caribbean down the Carabana  
Sail the Mediterranean and enjoy the water  
When the road is rocky, you keepin' me stocky  
Takin' care of this nigga  
[Incomprehensible] when you check on your Papi  
We all right baby, hug me with all your might  
And put it on a nigga, 'cause you know that it's on tonight  
Break up to make up, and you know we gonna fight  
And if we ridin' together, let's do it then  
Sure you're right  
Never ever ever wanna let you go  
Tell me what you're feeling, 'cause I want to know  
If you're around, you know I'm down  
I'll be that girl, keeps you around  
I'm only here, just because  
It feels good, sayin' "us," keep you right, believe your love  
I never thought you'd be the one make me shine brighter than the sun  
There ain't no ups and downs, no winning out, you're here right now  
If you want me to stay, I'll never leave

If you want me to stay, we'll always be  
If you want me to stay, love endlessly  
If you want me to stay, if you want me to stay  
I'll never leave you  
Uh uh, uh oh  
Uh uh, uh oh  
Uh uh, uh oh  
(Fabulous)  
Uh uh, uh ooh  
(Lumidee)  
I ain't never gon' believe, you ever gonna leave  
You feels so good on my arm  
Somethin' like them baseball jackets with a leather on the sleeve  
Or a flooded timepiece that cost several hundred G's  
Your lovin', ain't the type of love everyone receive  
Baby girl, go down like she never wanna breathe, whoo!  
(Uh oh)  
I gotta play it right, 'cause this kid don't usually let them stay tonight  
And when I know you wrong, I say you're right  
And when I wanna say no, I say I might  
This is real talk, you know it ain't another  
And anytime I'm gone, you know I'm thinkin' of you  
And anytime you need, you know I got you covered  
You know none of the others do what I does  
I keep your rocks bluer than hers  
Keep your shoes newer than hers  
And I do it because, uh  
If you want me to stay, I'll never leave  
If you want me to stay, we'll always be  
If you want me to stay, love endlessly  
If you want me to stay, if you want me to stay  
I'll never leave you  
Uh uh, uh oh  
Uh uh, uh oh  
Uh uh, uh oh  
...
