Carry Me Home

Paladin

Lord, bring me home again
I'm no longer able
To bare the bitter winds
Or the heavy rains
I've long been settled
Lord, without comfort
Just a man on an earthly throne
Headed for the grave
Carry me home
Sweet Jesus, lift me
Until I've flown
The shadow of shame
Your love alone
Lord Jesus mends me
Lift me up
Oh Lord, carry me home
Lord, I've been branded
A loyal sinner
Seems like forever
Since I said Your name
I'm just a pilgrim
Still afraid of dying
But the sea is shinning brightly
With Your grace
Carry me home
Sweet Jesus, lift me
Until I've flown
The shadow of shame
Your love alone
Lord Jesus mends me
Lift me up
Oh Lord, carry me home
Carry me home
Sweet Jesus, lift me
Until I've flown
The shadow of shame
Your love alone
Lord Jesus mends me
Lift me up

Oh Lord, carry me home
Carry me home
Sweet Jesus, lift me
Until I've flown
The shadow of shame
Your love alone
Lord Jesus mends me
Lift me up
Oh Lord, carry me home
Lift me up
Oh Lord, carry me home
