

DÃ©jÃ Vu

Crosby, Stills & Nash

If I had ever been here before I would pro'bly know just what to do

Hey, don't you?

If I had ever been here before on another time around the wheel

I would probably know just how to deal

With all of you

And I feel like I've been here before

Feel like I've been here before

And you know it does make me wonder

What's going on under the ground

Do you know?

Don't you wonder?

What's going on

Down under you

We have all been here before

We have all been here before

We have all been here before

We have all been here before
