

# Getting To It Mandatory

## Lloyd Banks

Still building my fortress I bet the outcome is gorgeous  
Roses, daisys, orchards, tryna shape this crazy office  
Sex scandals in my office  
Privileges like the President  
Destined to be enormous  
Negligence in my residence  
Count it out on my life  
Kick ball with the evidence  
Horror when I first started  
Six song with it ever since  
Back in it from the future quick  
Quick draw, my arrogance  
Absolutely mine, bog four in your heavens ?  
Hated my area, spray ? away  
Fly my aerial great  
Big n-gga scary away  
Massacre compare me to none  
Stead I'm here my son like Godzilla  
When I come, damage here when I'm done  
Heart beating from the drum, hammers hear on you some  
Huh, motherf-cking bum wouldn't spare you a crumb  
Crumbling castle, why would a peasant be a hassle  
More like a line backer at you, bleeding tackle[Chorus]We getting to it  
Thats all we do  
We gon get some more, thats mandatory too  
Life is better rich so I'ma go for broke  
Man this shit gon sell itself, I got the dough  
All the bitch shit talking means nothing till you do it, do it,  
Out the way, watch me get to it, to it, to it, to it Ammo in the car still, diamonds out the window  
Giant, make a regular car look like a limo  
I'm hood  
So everything aint all good  
Caught in the middle I should  
Hold down my city how could  
You f-ck around with me, why would?  
You seek attention, I'm like a lion out the fence when  
I'm faced with tension, the audience is as suspensing  
Get to it blind fold, mom I been this wild yo?  
Treble's run up on you with your eyes closed

Broken heart, minds froze, fridges full of Rose  
Parking up the BM as you v in the slow lane?  
Shorty like the role-play, well I'ma play the pimp  
I got that super fly high shit, money made the limp  
Dollar bill give me chills  
Fat ass fills and model hills  
and it's real, I'm going in for the kill  
Eye's on another mill, known for ripping down shit  
Young Shaquille, southside deal, sugar hill[Chorus]We getting to it  
Thats all we do  
We gon get some more, thats mandatory too  
Life is better rich so I'ma go for broke  
Man this shit gon sell itself, I got the dough  
All the bitch shit talking means nothing till you do it, do it,  
Out the way, watch me get to it, to it, to it, to it
