

# Zero Gravity (Ruff Loaderz Dub)

Kerli

Feels like coming home  
After traveling a million miles  
I am not alone  
Searching for the starlight in the darkest skiesA complex surface  
Laid out right before our eyes  
Everything makes sense  
Now that you are by my sideI'm as light as I can be  
You got me feeling weightless  
You take me on an odyssey  
You got me feeling weightlessYou make me float free  
My love for you is endless  
No ties are binding me  
Oh I'm in zero gravityNow I'm in zero gravity  
Oh I'm in zero gravityAll the pain in me  
No more needs to be expressed  
Feels like I can breathe  
You lift a burden off my chestTraces of sadness  
No more chain me to the ground  
I am limitless  
Ever since you came aroundI'm as light as I can be  
You got me feeling weightless  
You take me on an odyssey  
You got me feeling weightlessYou make me float free  
My love for you is endless  
No ties are binding me  
Oh I'm in zero gravityNow I'm in zero gravity  
Oh I'm in zero gravity  
Now I'm in zero gravity  
Oh I'm in zero gravityI'm as light as I can be  
You got me feeling weightless  
You take me on an odyssey  
You got me feeling weightless
