

Come To Me Softly

Jimmy James

Come to me softly,
while stars beam above

Walk with me quietly oh baby,
then whisper your love

Cause that's what I'm gonna tell you,
how much I love you
with not only my lips,
oh no no no no no no no... oh no baby
but with all of my heart.

Kiss my lips gently
oh passion is good

let my heart slowly
awaken to you

cause that's what I'm gonna tell you,
how much I love you

with not only my lips,
oh no, my darling, oh no baby oh no no no
but with all of my heart.

Stay always beside me,
through each passing year

let your precious love
softly guide us my dear

by then you'll show'em all,
yes by then, you'll show'em all

that I love you so,
I do love you, I do love you

and with all of my heart
you got to believe me,

you got to believe me, you got to believe me

When I say that I love you, oh baby
oh my darling, my darling, my darling...
