Plastilina Mosh

Hey, what's up? It's me
I want to know why you were so mean to me
Hey, don't lie, can't you see that I can notice
When you are ignoring me?Tell me baby, tell me now
Tell me all I need to know
I want you to know that I love you so
I want to feel you so close
I want to hear you voice
I want to feel you touchCome on baby you know how
You know what's all about
You know the magic words to work it out
So work it our girl, work it out
Just pick up the phone and call me nowHey, what's up? It's me
I want to know why you were so mean to me
Hey, don't lie, can't you see that I can notice
When you are ignoring me?
When you are ignoring meTell me baby, tell me now
Tell me all I need to know
I want you to know that I love you so
Don't tell me, don't tell that it's up
Wrong numberCome on baby you know how
You know what's all about
You know the magic words to work it outSo what are you waiting for
Just pick up the phone and get ready girl
Just dial five, five, four, three, double O
For you it's toll free, toll freeHey, what's up? It's me
I want to know why you were so mean to me
Hey, don't lie, can't you see that I can notice
When you are ignoring me?
When you are ignoring meSo pick up the phone
And try to reach my number
You don't have a doubt
You know that's what you wannaI just want you to call me baby
I just want to tell you what I feel for youSo pick up the phone
And try to reach my number
You don't have a doubt
You know that's what you wanna
