The Look of Love

Johnny Mathis

The look of love is in your eyes
A look, your smile can't disguise the look of love
It's saying so much more than just words could ever say
And what my heart has heard, well, it takes my breath awayI can hardly wait to hold you
Feel my arms around you
How long have I waited
Waited just to love you
Now that I have found youYou've got the look of love, it's on your face
A look that time can't erase, be mine tonight
Let this be just the start of so many nights like this
And let's take a lover's vow and we'll seal it with a kiss'Cause I can hardly wait to hold you
Feel my arms around you
How long have I waited
Waited just to love you
Now that I have found youYou've got a look of love, is in your eyes
A look, your smile can't disguise, the look of loveI can hardly wait to hold you
Feel my arms around you
How long have I waited
Waited for the lover's love
