Flat Black

True Widow

We're so alone with you
And it's unclear what we should do
Oh no - anyway
Now that we're here with you
I'm just not sure if it's the thing
Oh no the thing to do
And I can't but I know that I willAnd my mind always tends to wonder
My souls says trust your owner
Taking the easy way
Has never been as hard as this
Oh no - has been today
Now that I've had my way
Just don't think that I can turn
Oh no - turn away
But I can and I know that I'll pay
And my mind always tends to wonder
My souls says trust your owner
