Too Weak to Fight

Clarence Carter

First one, let the games begin
There ain't no time for me to pretend
Now I got the key to the door I want
So open up and let me inThere is something, baby, about you
That's really attracting me, yeah
And your sweet love, darling
Really got a hold on meI've got a little taste of your love
And now I'm hooked on you, yeah
And I keep falling, falling
But what can I doI'm too weak to fight
Listen to me, baby
Too weak to fight, yeahYou're breaking down my health, girl
Can't eat, I can't sleep
I've tried to turn you loose
But your hook is in too deep, oh yeahMy resistance is getting a little low
And I've got to find a cure
Cause I keep falling, falling
Falling for you, yeahI'm too weak to fight
Listen to me, baby
Too weak to fight, yeah
I'm too weak to fightYou're messin' with my head
You got me too weak to fight
Too weak to fight now, baby
Calling wrong numbersToo weak to fight now, baby
You got my head going round and round
Too weak to fight now baby
Baby, baby, baby, baby, too weak to fight
