

# Let's Get It On

Peter Andre

Baby move me  
Groove me baby, move baby Ya know , we're movin' and groovin'  
And humpin' and pumpin'  
And movin' and groovin' Let's get it on, let's get it on  
Let's get it on, here we go  
Let me tell ya somethin' You know I've been watchin' you  
Wonderin' how to make you mine  
And you know I want a piece of you  
'coz girl you really blow my mind You say I've gotta buy you roses  
Before I even get a chance  
But if only you knew what's in store  
My middle name is romance  
Here we go Let's get it on, let's get it on  
Let's get it on, here we go  
Let me tell ya somethin' We're movin' and groovin'  
And humpin' and pumpin'  
And movin' and groovin', ah yeah  
We're movin' and groovin'  
And definitely gotta be  
Humpin' and pumpin'  
And movin' and groovin', yeah Let's get it on,  
Let's get it on, let's get it on  
Let's get it on  
Let's get it on, let's get it on You know I wanna touch you baby  
I wanna hear you call my name  
You may say the whole thing's crazy  
But two of us can play that game Gotta hold on tight  
Let's make it happen  
I'll take you to a place so fine  
(that's mine)  
Ecstasy is where you'll be  
I'll hold you in my arms  
I'm gonna blow your mind We're movin' and groovin'  
And definitely gotta be  
Humpin' and pumpin'  
I said we're moving and groovin' You got it goin' on  
From your head to your toe  
I'd like to take you to the crib  
And dim the lights down And then show or rather prove

That I'm a real man  
By the end of the night  
You'll be my number one fan  
'coz I can comprehend  
Understand how you feel  
I know you've had others  
Now try the real deal  
The mood is set, oh girl tonight's the night  
I think this could work out just put your trust in me  
I won't let you down  
I'll be the man you wanted  
I'll reverse the frown You got up on your face, no time to waste  
Oh girl you're so delicious  
All I want is taste  
Of that sweet, sweet love  
C'mon you know I don't bluff  
With a woman like you  
I just can't get enough  
They say true love is hard to find nowadays  
But if you try my love  
I'll be around with you always Hump, pump me baby  
Hump, pump me baby  
I'll be around with ya always  
Hump, pum
