I Will

Paris Bennett

They said it was over
They said I was through
But amidst the wreckage
Something began to move
My arms pushed me upward
Shake debris off my back
My legs feel their broken yet still here I stand[Chorus]
Fire is on every side of me
It's lit a flame inside of me
Now night and day it's guiding me home, home
And I will keep on the trying
And I slay my giant
'Cause I'm willin' to be and I will see it come
'Cause I will I will I will I willThey tell me it's hopeless
They say the odds are not good
But I just remain focused on what I know I should
Though my friends say I'm crazy for goin' my own way
Early on it used to phase me now I know their just afraid[Chorus]
