

# You In My Life

Maoli

Everybody wants someone  
To hold when you're all alone  
Taking your hand while we walk through the shores  
Cuz our whole life is full of open door  
To follow me let's just run away  
With our emotions to show us the way  
I'll never need anyone but you  
So I just hope you know that

[Chorus]

I'll ever ever gonna need no one  
You are the only one I think of and  
I really hope that we can just give it a try  
Cuz I'll never wanna be lonely and  
You are the only one to show me  
That I really need someone like you in my life  
In my life  
In my life  
And I really could use someone

Some people wait a lifetime to find  
That special someone to brighten their life  
And I know I found it when you came around  
Someone to lift me up when I am down  
Please know that I really care for you  
And I want you to know what I'm saying is true  
And I'll never need anyone but you  
So I just hope you know that

[Chorus]

[Guitar Solo]

[Chorus]
