Tailspin

Dorsey Brothers Orchestra

They say you got to pay to play to win
Okay, what you say, you're not like them
Oh, hey, wait, oh, let me get this straight
I just can't seem to concentrate
They say you got to pay to play to winYeah, spinning around again
Yeah, caught in a tailspin
Yeah, spinning around again
Yeah, caught in a tailspinBelieve me you got to be free now
Leave it be, got to leaving how
Be, be, be all that you can be
Believe the words of wisdom, let it be
Believe me, you got to be free nowYeah, spinning around again
Yeah, caught in a tailspin
Yeah, spinning around again
Yeah, caught in a tailspinDemocracy the shining sea, the seeds are sown
Exit the agency, we're on our own
See, see, see the forest for the trees
We sure don't see next, why won't you sing with me?
Democracy the shining sea, the seeds are sownYeah, spinning around again
Yeah, caught in a tailspin
Yeah, spinning around again
Yeah, caught in a tailspinYeah, spinning around again
Yeah, caught in a tailspin
Yeah, spinning around again
Yeah, caught in a tailspin
