Living In the Band

Poco

AlrightIn the beginning
Not so long ago
There were five country rockersI saw the very first show
And I jumped up with the crowd
To give a standing handLivin', livin' in the band, yeah
Oh, livin'There were two from Colorado
Texas and Nebraska too
Another came from OhioAnd they did not sing the blues
You had the feeling
They had nothing to loseLivin', livin' in the bandThrough the years and the changes
And with the will of a train
Some have parted strangers
Some have stayed in the gameAnd sooner or later
You've got a winning hand
Livin', livin' in the band
Oh, livin' in the band, yeahThrough the years and the changes
And with the will of a train
Some have parted strangers
Some have stayed in the gameAnd sooner or later
You've got a winning hand
Livin', livin' in the band, oh, livin'Livin', livin' in the band
Livin', just livin' in the band, c'mon
Livin', livin' in the band
Livin', just livin' in the band
In the bandLivin', livin' in the band
Say, livin' just livin' in the band, alright
Livin', livin' in the band
I'm down the world
Livin' in the band
