Please Bleed

Ben Harper & The Innocent Criminals

Verse 1:
You make me feel like a beggar
You make me feel like a thief
You make me feel like a battle
That cannot end in peace
You make me feel like running as if I've lost my nerve
You make me feel like crying
Tears I don't deserveChorus:
Please bleed
So I know that you are real
So I know that you can feel
The damage that you've done
Oh, who have I become
To myself I am numb
I am numb, I am numb
Verse 2:
Is this really living?
Sometimes it's hard to tell
Or is this just a kinder, gentler hell
Turn out the lights
And let me stare into your soul
I was born and bled for you to holdChorusNever said thank you
Never said please
Never gave, reason to believe
So as it stands I remain on my knees
Good lovers make great enemiesChorus
Please bleed
So I know that you were real
So I know that you could feel
The damage that you've done
Whoa, what have I become
To myself I am numb
I am numb, I am numbChorus
+ I am numb x 2
