Reckless Mind

New Yesterday

~Verse 1~
Free mind, free mind
I got a reckless mind
Fear me, fear me
I've got nothing to hide
Bleed out, bleed out
I've gotta find my way out
Kill me, kill me
Before the part of me

~Pre-chorus~
Some say I'd rather be alone
It's hard to say my god
It's hard to see my love

~Chorus~
I've been acting like this for too long,
to be here with you while yonder
I don't wanna be a brick in the wall
But I don't wanna be a loner
You feel it, I know it will change me
I'll find my way

~Verse 2~
Tick tock, tick tock
I think it's time to wake up
Dear god, dear god
I think we need more gods

~Pre-chorus~
Some say I'd rather be alone
It's hard to say my god
It's hard to see my love

~Chorus~
I've been acting like this for too long,
to be here with you while yonder
I don't wanna be a brick in the wall
But I don't wanna be a loner
You feel it, I know it will change me

Ill find my way
