Tom Sawyer

Rush

A modern day warrior Mean, mean stride Today's Tom Sawyer Mean, mean prideThough his mind is not for rent Don't put him down as arrogant He reserves the quiet defense Riding out the day's events The riverWhat you say about his company Is what you say about society Catch the mist, catch the myth Catch the mystery, catch the driftThe world is, the world is Love and life are deep Maybe as his skies are wideToday's Tom Sawyer He gets by on you And the space he invades He gets by on youNo, his mind is not for rent To any God or government Always hopeful yet discontent He knows changes aren't permanent But change is What you say about his company Is what you say about society Catch the witness, catch the wit Catch the spirit, catch the spitThe world is, the world is Love and life are deep Maybe as his eyes are wideExit the warrior Today's Tom Sawyer He gets by on you And the energy you trade He gets right on to the friction of the day
