

# One More Chance (Paul Oakenfold Urban Mix)

Michael Jackson

Uh huh alright  
This time I'm gonna do my best to make it right  
Can't go on without you by my side  
Hold on  
Shelter come and rescue me out of this storm  
And out of this cold I need someone  
Oh why oh lord why why  
If you see her  
tell her this for me  
All I need is One more chance at love  
One more chance at love  
(One more)  
One more chance at love  
One more chance at love  
(See)  
(One more)  
One more chance at love  
One more chance at love  
(One more)  
One more chance at love  
(Alright)  
One more chance at love Searching, for that one who is going to make me whole  
Help me make these mysteries unfold  
Hold on  
Lightning about to strike and rain only on me  
Hurt so bad sometimes it's hard to breathe  
Oh why why  
If you see her  
Tell her this from me  
All I need is One more chance at love  
One more chance at love  
(One more)  
One more chance at love  
One more chance at love  
(One more chance for love)  
One more chance at love  
One more chance at love  
(One more)  
One more chance at love

One more chance at love And I will walk around this world to find her  
And I don't care what it takes no  
Why  
I'd sail the seven seas to be near her  
And if you happen to see her  
See tell her this from me One more chance at love  
(Yeah, yeah)  
One more chance at love  
(Tell her this for me)  
One more chance at love  
(Yeah, Yeah)  
One more chance at love  
One more chance at love  
One more chance at love  
(Lovin' you)  
One more chance at love  
(I can't stop)  
One more chance at love  
(Lovin' you)  
One more chance at love  
(Yeah one more)  
One more chance at love  
One more chance at love  
(For love)  
One more chance at love  
One more chance at love  
(Yeah I can't stop)  
One more chance at love  
One more chance at love  
(Lovin' you)  
One more chance at love  
One more chance at love  
(I can't stop)  
One more chance at love  
(Lovin' you)  
(Aaow)  
One more chance at love  
(I can't stop)  
One more chance at love
