True

Ryan Cabrera

I won't talk, I won't breathe
I won't move 'till you finally see
That you belong with me
You might think I don't look
But deep inside the corner of my mind
I'm attached to you, mmm
I'm weak, it's true
'Cause I'm afraid to know the answer
Do you want me too?
'Cause my heart keeps falling faster
I've waited all my life to cross this line
To the only thing that's true
So I will not hide it's time to try
Anything to be with you
All my life I've waited
This is true
You don't know what you do
Every time you walk into the room
I'm afraid to move
I'm weak, it's true
I'm just scared to know the ending
Do you see me too?
Do you even know you met me?
I've waited all my life to cross this line
To the only thing that's true
So I will not hide, it's time to try
Anything to be with you
All my life I've waited
This is true
I know when I go I'll be on my way to you
The way that's true
I've waited all my life to cross this line
To the only thing that's true
So I will not hide, it's time to try
Anything to be with you
All my life I've waited
This is true
