Out To Pasture

Mudvayne

Like a worm boring through cinders and rock and ash I think I need a broom
To sweep away the day cleanse us of the shame weï¿½re in Iï¿½m in
Like a stray with the mange runs and lies and man I think I need to bathe to wash away the day
cleanse us of the past and rid the taste
chorus:
You keep leading me you keep driving me you keep pushing me out to pasture
to graze Cant keep strangling cant keep ignoring me cant keep choking me climbing
a clock tower you keep telling us
u keep shoving us you keep forcing us out to pasture to graze
you stopped listening you stopped listening you stopped hearing me
so im loading my gun
like a bum sifting through dumpsters and garbage and trash I think I need some food ive starved away all day
cleanse us of the hunger we're in im in like a snake sliding through sand and dirt and desert I think I need a tomb

to blacken out the day peel me from the sun and keep me in my place
chorus:
u keep leading me you keep driving me you keep pushing me out to pasture to graze
cant keep strangling cant keep ignoring me cant keep judging me climbing a clock tower
you keep telling us u keep shoving us you keep forcing us out to pasture to
graze you stopped listening you stopped listening you stopped hearing me
so im loading my gun
it seems to me there are so many things they don't want to share now doesn't that seem strange it seems to me
its all for one but doesn't it seem strange that no ones for none not you not me no one and doesn't it seem
strange that
we don't know a thing doesn't it feel the same as the cattle out to graze don't you think its strange that we cant
find our
way don't you feel the same doesn't it seem strange that we don't know a thing doesn't it feel the same as the
cattle
out to graze don't you think its strange that we cant find our way don't you feel the same
chorus
