

# She's Only Happy In The Sun

**Ben Harper**

I know you may not want to see me  
On your way down from the clouds  
Would you hear me if I told you  
That my heart is with you now?  
She's only happy in the sun  
She's only happy in the sun  
Did you find what you were after?  
The pain and the laughter  
Brought you to your knees  
But if the sun sets you free  
Sets you free  
You'll be free indeed, indeed  
She's only happy in the sun  
She's only happy in the sun  
Every time I hear you laughin'  
I hear you laughin'  
It makes me cry  
Like the story of life, of your life  
Is hello, goodbye  
She's only happy in the sun  
She's only happy in the sun  
She's only happy in the sun  
She's only happy in the sun
