

Sing You Sinners (with John Legend)

Tony Bennett

Brothers, sisters
Listen to what I say
Moanin' and groanin'
Won't drive those blues away
Lift up your voices in song
You know you've all done wrong You sinners, drop everything
And let that harmony ring
Up to Heaven
And sing, you sinners Just wave your arms all about
And let the Lord hear you shout
Pour the music right out
And sing, you sinners Whenever there's music
The Devil kicks
He don't allow music
By the river Styx You're wicked and you're depraved
And you've all misbehaved
If you wanna be saved
Well, sing, you sinners Well, up until now
I've been asking you singers to sing
But if you can't sing, dance
C'mon band, swing Swing, swing, swing
Swing, you sinners
Swing, swing, swing
Swing, you sinners Whenever there's music
The Devil kicks
He don't allow music
By the river Styx You're wicked and you're depraved
And you've all misbehaved
If you wanna be saved
If you wanna be saved
Well, sing, you sinners
