

# Blue Monday (Hardfloor mix)

## New Order

How does it feel  
When you treat me like you do  
And you've laid your hands upon me  
And told me who you are?

I thought I was mistaken  
And I thought I heard your words  
Tell me, how do I feel?  
Tell me now, how do I feel?

Those who came before me  
Lived through their vocations  
From the past until completion  
They will turn away no more

And I still find it so hard  
To say what I need to say  
But I'm quite sure that you'll tell me  
Just how I should feel today

I see a ship in the harbor  
I can and shall obey  
But if it wasn't for your misfortunes  
I'd be a heavenly person today

And I thought I was mistaken  
And I thought I heard you speak  
Tell me how do I feel?  
Tell me now, how should I feel?

Now I stand here waiting

I thought I told you to leave me  
While I walked down to the beach  
Tell me, how does it feel  
When your heart grows cold?

How does it feel?  
How does it feel?

How does it feel?

And I thought I told you to leave me  
While I walked down to the beach  
Tell me, how does it feel  
When your heart grows cold?
