Pressure

Jump5

Don't try to make me make mistakes, I won't forget
I don't need you to tell me what I need to do
Just give it time, you'll see that I, I have a mind
And it's made up, and it's made up
I wanna be friends with you
Gonna do what I have to do
'Cause it's right, ya it's right, that's all right
Don't pressure me, don't push me too far
I wanna do right with all my heart
Don't pressure me, what about your self-respect?
I'm not like that, I'm not like that
Don't have to prove, nothing to you, there's no excuse
I've got a faith, you need to take a second look
My friend, you need to understand, I have a mind
And it's made up, and it's made up
I wanna be friends with you
Gonna do what I have to do
'Cause it's right, ya it's right, that's all right
Don't pressure me, don't push me too far
I wanna do right with all my heart
Don't pressure me, what about your self-respect?
I'm not like that, I'm not like that

Don't pressure me, don't push me too far
I wanna do right with all my heart
Don't pressure me, what about your self-respect?
I'm not like that, I'm not like that
Don't have any doubt, what my life's about
I'm gonna show you
This is not my way, you can't take that away
Don't even try to
Don't pressure me
Don't pressure me
Don't pressure me, don't push me too far
I wanna do right with all my heart
Don't pressure me, what about your self-respect?
I'm not like that, I'm not like that
Don't pressure me, don't push me too far
I wanna do right with all my heart

Don't pressure me, what about your self-respect?
I'm not like that, I'm not like that
Don't pressure me
