

Catch My Breath

Kelly Clarkson

I don't wanna be left behind
Distance was a friend of mine
Catching breath in a web of lies

I've spent most of my life
Riding waves, playing acrobat
Shadowboxing the other half

Learning how to react

I've spent most of my timeCatching my breath, letting it go

Turning my cheek for the sake of this show

Now that you know, this is my life

I won't be told what's supposed to be rightCatch my breath, no one can hold me back, I ain't got time for that
Catch my breath, won't let them get me down, it's all so so simple nowAddicted to the love I found

Heavy heart, now a weightless cloud

Making time for the ones that count

I'll spend the rest of my time

Laughing hard with the windows down

Leaving footprints all over town

Keeping faith, Karma comes around

I will spent the rest of my lifeCatching my breath, letting it go

Turning my cheek for the sake of this show

Now that you know, this is my life

I won't be told what's supposed to be rightCatch my breath, no one can hold me back, I ain't got time for that
Catch my breath, won't let them get me down, it's all so so simple nowYou helped me see

The beauty in everythingCatching my breath, letting it go

Turning my cheek for the sake of this show

Now that you know, this is my life

I won't be told what's supposed to be rightCatching my breath, letting it go

Turning my cheek for the sake of this show

Now that you know, this is my life

I won't be told what's supposed to be right

Catch my breathCatch my breath, no one can hold me back, I ain't got time for that

Catch my breath, won't let them get me down, it's all so so simple now

It's all so simple nowCatching my breath, letting it go

Turning my cheek for the sake of this show

Now that you know, this is my life

I won't be told what's supposed to be right

Catch my breathCatch my breath, no one can hold me back, I ain't got time for that

Catch my breath, won't let them get me down, it's all so so simple now
