It Don't Come Easy

George Harrison

(it don't come easy, you know it don't come easy)
(it don't come easy, you know it don't come easy)
Got to pay your dues if you want to sing the blues
And you know it don't come easy
You don't have to shout or leap about
You can even play them easy
Forget about the past and all your sorrow
The future won't last
It will soon be your tomorrow
I don't ask for much, I only want your trust
And you know it don't come easy
And this love of mine keeps growing all the time
And you know it don't come easy

Open up your heart, let's come together
Use a little luck, and we will make it work out better
Got to pay your dues if you want to sing the blues
And you know it don't come easy
You don't have to shout or leap about
You can even play them easy
Please remember peace is how we make it
Here withing your reach, is your freedom to take it
I don't ask for much, I only want your trust
And you know it don't come easy
(de de de) growing all the time
And you know it don't come easy
(thank you)
