

# Speedy Marie

**Frank Black**

Had a bit part, an endless reel  
It always played in slo-mo  
But now it's fast, a spinning wheel  
I know the dynamo, my heart is cast  
Speedy Marie, ahead of the now  
She's better built that's how  
She's built for speed  
Speedy Marie, Speedy Marie  
Oh, yes indeed, I said to me  
And so I sing this romaunt  
It's not enough, my liberty  
There is a thing I want, I need, I love  
Speedy Marie, ahead of the now  
She's better built that's how  
She's built for speed  
Speedy Marie, Speedy Marie  
Juxtaposed in each moment's sight  
Everything that I ever saw and my one delight  
Nothing can strike me in such awe  
Mouth intricates, shapes the voice that speaks  
Always it will soothe  
Rarer none are the precious cheeks  
Is the size of each sculpted tooth  
Each lip and each eye  
Wise is the tongue, wet of perfect thought  
And softest neck where always do I  
Lay my clumsy thoughts, she is that most lovely art  
Happy are my mind and my soul and my heart
