Instead

Boomkat

Heard you talking shit again
I think you know I found out what you said
Now I don't understand why
You feel that you have to lie[BRIDGE:]
I don't give a damn about it
I don't care what you say
I'd rather go on with my day[CHORUS:]
Instead
I'd rather go on without it
Is it the end?
Instead
I'd rather go on without it
Is it the end?I think it's funny that you try
To spread silly rumors why
You say those things, so I'll react
When you know I will
And that's a fact that you don't[BRIDGE & CHORUS]If you had to look in my eyes, could you?
If you had to take it all back, would you?
Find something better to do with your time
I'll stay outta your life if you stay outta mine
I'm goingInstead, instead, instead
Instead
Is it the end?
Instead
I'd rather go on without it
Is it the end?I don't think that you know how you're feeling, feeling
Frankly I don't know how I'm really dealing, dealing
I don't think that you know how you're feeling, feeling
Frankly I don't know how I'm really dealing, dealing
Dealing, dealingI'd rather go on with my day now
Instead
So why are you going on my way now?
Instead
I'd rather go on with my day now
Instead
So why are you going on my way now?
Instead
