

# I'm A Memory

**Sara Watkins**

I'm a game that you used to play  
I'm a plan that you didn't so well  
I'm the fire that burns in your mindClose your eyes, I'm a memory  
Close your eyes, I'm a memory  
Close your eyes, I'm a memoryI'm in love, you lost  
I'm a voice on a green  
I'm a day that lasted so long!Close your eyes, I'm a memory  
Close your eyes, I'm a memoryI'm a dream that comes in the night  
I'm a face that fades with light  
I'm a that falls out of sightClose your eyes, I'm a memory  
Close your eyes, I'm a memory  
Close your eyes, I'm a memory
