

So Over You

Donnie Klang

[Verse 1:]

I should have been stronger
When you left me baby
I just didn't see it coming(no)
You should have waited longer
We could have worked it out
I know it eats you up inside
Now when you call the phone
Telling me

You basically you still love me
I Cant believe it your unbelievable[Chorus:]
Cause I never really knew it was ending
But I should have seen it from the beginning
When I use to be so independent
Then all I did was think of you
Girl you know what I could have showed ya
Gonna keep my head high on my shoulders
I'm better off now that it's over
And I'm not gonna think of you
Cause I'm so over you
I'm so over you
I'm so over you (yes)
I'm so over you
I'm so over you

I'm so over you (yes)[Verse 2:]

I should have known better
Should have seen right through
It was all about the chase baby
(Now I'm a little wiser)
Cause of girls like you
I learned from my mistakes
Now I can go out every night enjoy myself without the fight
Saying no more

No more sleepless nights[Chorus:]
Cause I never really knew it was ending
But I should have seen it from the beginning
When I use to be so independent
Then all I did was think of you
Girl you know what I could have showed ya

Gonna keep my head high on my shoulders
I'm better off now that it's over
And I'm not gonna think of you[Bridge:]
I use to wanna know, why'd you go an break my heart
Like we never meant a think at all
Times made me wise
No I didn't believe it when they told me
That I would get over you[Chorus:]
Cause I never really knew it was ending
But I should have seen it from the beginning
When I use to be so independent
Then all I did was think of you
Girl you know what I could have showed ya
Gonna keep my head high on my shoulders
I'm better off now that it's over
And I'm not gonna think of youCause I never really knew it was ending
But I should have seen it from the beginning
When I use to be so independent
Then all I did was think of you
Girl you know what I could have showed ya
Gonna keep my head high on my shoulders
I'm better off now that it's over
And I'm not gonna think of you
Cause I'm so over you
I'm so over you
I'm so over you (yes)
I'm so over you
I'm so over you
I'm so over you (yes)
