Come here baby let me do yo hair,
Tell me who about your worries and your cares.
Splain to me exactly what you need,
I'm here for you and I aim to please.
Oooh I got ya back

cause they jealous of this thang we got.
I'm the one that be givin you
(Oooh) in the mornin'

and baby I got what you need.
You never have to worry bout a thang because,
it's all about you and me and baby we gon do our thang! and leave.

{Chorus}:
It's all about you...and me.
(we gon work it out oooh yeah)
You and me, and baby we gon

You'll never have to worry
bout a thang!

My baby workin always on the grind,
and everyday day he work he always make time for me. Strong and sensitive and that's how he lives.

You and me, we're beautiful,
Magical together.
Ain't nothin wrong, wit what we do.
