

# Klondike

## Camper Van Beethoven

Come on down the mountain  
We're waiting here for you  
Grey faced wrath is upon us  
Yeah lights the valley blue Yeah come on down the mountain  
We're waiting here for you  
Yeah come on down the mountain  
Yeah you're the chosen few We labor under grave machines  
We toil between the rows  
And dance upon the riverbanks  
After winter snows Yeah come on down the mountain  
We're waiting here for you  
Yeah come on down the mountain  
Among our chosen few
