

The Other Side (the Cube Guy's

[Paul van Dyk](#)

When this broken trough
I will can't with you
When I wait my longest time
Daylight brings the great divide We can like the rain
Whispering your name
Long to be with you divide
Believe the sunrise When I reach the line
I will see you on the other side See you on the other side
When I closed my eyes See you on the other side
When I closed my eyes Speeding City lights
Leavening week tonight
Oh I miss you once inside
Stars cannot to shine Across the waterline
I can feel you on the other side See you on the other side
When I closed my eyes
And I reached the lights See you on the other side
When I closed my eyes See you on the other side
When I closed my eyes
And I reached the lights See you on the other side
When I closed my eyes
