

Hush, Hush, Sweet Charlotte

[Patti Page](#)

Hush hush, sweet Charlotte
Charlotte, don't you cry
Hush hush, sweet Charlotte
He'll love you till he dies Oh, hold him darling please hold him tight
And brush the tear from your eyes
You weep because you had a dream last night
You dreamed that he said goodbye He held two roses within his hand
Two roses he gave to you
The red rose tells you of his passion
The white rose his love so true Hush hush, sweet Charlotte
Charlotte, don't you cry
Hush hush, sweet Charlotte
He'll love you till he dies And every night after he shall die
Yes every night when he's gone
The wind will sing to you this lullaby
Sweet Charlotte was loved by John Hush hush, sweet Charlotte
Charlotte, don't you cry
Hush hush, sweet Charlotte
He'll love you till he dies
