Same-ish

Jamelia

7:45, alarm goes off
Here's your coffee, baby
Here's your paper, baby
8:15, time for your shower8:45, have a nice day
5:15, how was work, baby?
Here's your dinner, baby
Here's a drink, baby10:45, a kiss goodnight
This can't seriously be my life
Because it's just theSame-ish different day
I can't go on living my life this way
I already know what tomorrow holds
It's the same old, same oldBeing this predictable is not my style
And I feel that I've become her for quite a while
Didn't Kelly tell you 'bout a woman fed up?
And that's why I'm here 'cause I'm packing up, stacking upKnow this might hit you like a ton off bricks
But you don't know what makes me tick anymore
(No)
I really need you outta my house tonight
That's the only way to make things all alrightSame-ish different day
I said I can't go on living my life this way
I already know what tomorrow holds
It's the same old, same oldSame-ish
(Same-ish)
Different day
(Different day)
I can't go on living my life this way
I already know what tomorrow holds
It's the same old, same oldFeel like I'm wasting away
No reason for you to stay
Every move you 'bout to make
Can be predictedI need to feel the fire
Every time I'm by your side
Ain't no two ways about it, boy
You gotta goSame-ish
(Oh)
Different day
I said I can't go on living my life this way
(No)I already know what tomorrow holds
It's the same old

(Same old)
Same old
(Same old)Same-ish
(Same-ish)
Different day
(Different day)
I can't go on
(No, no, no, no, ooh)I already know what tomorrow holds
(What tomorrow holds)
It's the same old, same old
