

Ring of Fire

Dwight Yoakam

Love is a burning thing
And it makes a fiery ring
Bound by a wild desire
I fell into a ring of fireI fell into a burning ring of fire
I went down, down, down and the flames climbed higher
And it burned, burned, burned the ring of fire
The ring of fireI fell into a burning ring of fire
I went down, down, down and the flames climbed higher
And it burned, burned, burned the ring of fire
The ring of fireThe taste of love is sweet
When hearts like ours meet
I fell for you like a child
Ooh, the fire went wildI fell into a burning ring of fire
I went down, down, down and the flames climbed higher
And it burned, burned, burned the ring of fire
The ring of fireThen I fell into a burning ring of fire
I went down, down, down and the flames climbed higher
And it burned, burned, burned the ring of fire
The ring of fireThen I fell into a burning ring of fire
I went down, down, down and the flames climbed higher
And it burned, burned, burned the ring of fire
The ring of fireLord it burned, burned, burned the ring of fire
The ring of fire, the ring of fire, the ring of fire
