Universe

Bride

No more curse in the Universe
No more death in the Universe
No more hell in the Universe
No more sin in the UniverseWon't cast off forever, won't leave my soul in hell
Won't cast off forever, won't leave my soul in hell
Not maybe, not some not a few
Not maybe, not some not a fewHe above All, through All and in you All
He above All, through All and in you All
He above All, through All and in you All
He above All, through All and in you AllFree gift came upon all men
Shall be saved yet so by fire
Grace abounds Worm is dead
They shall see and understand
