

# Stranded In the Jungle

## The Cadets

I crashed in the jungle while tryin' to keep a date  
With my little girl who was back in the States  
I was stranded in the jungle, afraid and alone  
Tryin' to figure a way to get a message back home  
But how was I to know there was a record jump my plane  
Had been picked up and spotted my girl in lovers lane  
And meanwhile, back in the States  
Baby, baby, let's make romance  
You know your old time lover hasn't got a chance  
He's stranded in the jungle, flat as he can be  
So come on pretty baby, just you and me  
Meanwhile back in the jungle  
The boys in the jungle had me on the run  
When something heavy hit me like an atomic bomb  
When I woke up and my head started to clear  
I had a strange feeling, I was with cooking gear  
I smelled something cookin' and I looked to see  
That's when I found out they was a cookin' me  
Great cuckoo, let me outta her  
Meanwhile back in the States  
Baby, baby, let's make romance  
You know your old time lover hasn't got a chance  
He's stranded in the jungle, flat as he can be  
So come on pretty baby, just you and me  
Meanwhile back in the jungle  
I jumped outta the pot and finally got away  
Frantic and worried about what my baby would say  
So I jumped in the ocean and started to swim  
But my chance of survival was gettin' mighty slim  
So I thumbed down a whale who was headin' my way  
And I reached the States in 'bout a half a day  
And when I got to lovers lane, I was almost dead  
When my soul was gone, here's what I said  
Baby, baby, your man is no good  
Baby, baby, he should've understood  
You can trust me as long as can be  
So come back pretty baby, where you used to be  
'Cause I love you, 'cause I love you  
'Cause I love you, 'cause I love you
