

These Days

Alien Ant Farm

Makin' all these waves in
Wonder where the days went
I shouldn't think of you
Hope the feelings neutral
I'm seeing all you ?
Somehow don't see me ?
Close to what I do
'Cause the two things are natural[Chorus]
These days are great
There's work to do
Would you like to work with me
I'd love to work you
These days are Great
And so are you
I think it's something positive
And negative to I'm playin all these games yeah
I wonder who's to blame yeah
I shouldn't think it's you
I'm sure the feelings mutual Were growing cold
It's getting old
We should of known it's over[Chorus] We'll be a real day
We'll be a real day[Chorus x2] These days are great
There's work to do
Would you like to work with me
I'd love to work you These days are great
And so are you
I think it's something positive
And negative to These days are great
There's work to do
Would you like to work with me
I'd love to work you These days are Great
And so are you
I told you
