Hard Love

Hollerado

I'll trade this hard love for a sad song
I'll trade this sad song for a good time
I'll trade this good time for a hard love
And that's all I got for you
Your ring was in my pocket
Either lost it, or I hawked it
I don't know
I don't regret those nights alone
When I let the stories take control
Like a slow fall
Those nights I mighta called on you
Crying or just kidding
I was high
I'll trade this hard love for a sad song
I'll trade this sad song for a good time
I'll trade this good time for a hard love
And that's all I got for you
I'll trade this hard love for for a sad song
I'll trade this sad song for a good time
I'll trade this good time for a hard love
And that's all I got for you
Yeah, and that's all I got for you
And that's all I got for you
