

You (Reused)

Boytronic

You!
You are full of wonder
Of miracles I see
You!
Emotions getting stronger
Why don't you feel like me? I feel it every second
My heart becomes your name
I'm searching for an answer
Why don't you feel the same? You!
Looking for a lover
A man I want to be
You!
Need someone to hold on
Why don't you look at me? I feel it every second
My heart becomes your name
I'm searching for an answer
Why don't you feel the same?
