Midnight Sun

Neon Hitch

Verse 1:
It's always one night, one night, with you
Room 301 in my dressing gown
Bottle of red wine, red wine, for two
When the sun comes up then I come downHe wanna fuck me like a rock-star
The Beatles said "All you need is love"
But I feel empty as this mini-bar
And in the morning I'm hungover youChorus:
You never say that you love me, no
You always turn over when we're done, yeah
Why won't you say that you love me, no
Two bodies under the midnight sun, yeah(I just wanna be loved by you)
(I just wanna be loved by you)Verse 2:
I left my diamond, gold ring, on the table
But you saw right through me and said "I don't"
That's when I asked and you told me, no labels
So why do I come back, when I promise I won'tHe wanna fuck me like a rock-star
The Beatles said "All you need is love"
But I feel empty as this mini-bar
And in the morning I'm hungover youChorus:
You never say that you love me, no
You always turn over when we're done, yeah
Why won't you say that you love me, no
Two bodies under the midnight sun
