Fly FlamingoÂ

Goombay Dance Band

with the money, I will make
the next plane I hope to take
If the bird gets ready for me
I will catch just in time.I see Lisa scratcing me back
and the children playing around
When the dogs bark in the back yard
I feel I'm home ones again.Fly, fly away, fly away my flamingo
fly to my home, across the see.
Fly, fly away, fly away my flamingo
fly away, fly away, fly away, bring the message to me.Creole ladies flatten their hair
it's time for the jamboree,
It's better when this boys starts jammin'
I'll survive in this place.with the money, I will make
the next plane I hope to take
If the bird gets ready for me
I will catch just in time.Fly, fly away, fly away my flamingo
fly to my home, across the see.
Fly, fly away, fly away my flamingo
fly away, fly away, fly away, bring the message to me.
