Anything Could Happen

A Tributer

Stripped to the waist
We fall into the river
Cover your eyes
So you don't know the secret
I've been trying to hide
We held our breath
To see our names are written
On the wreck of '86
That was the year
I knew the panic was over
Yes since we found out
Since we found out
That anything could happen
Anything could happen
Anything could happen
Anything could happen
Anything could happen
Anything could happen
Anything could
After the war we said we'd fight together
I guess we thought that's just what humans do
Letting darkness grow
As if we need its palette and we need its colour
But now I've seen it through
And now I know the truth
That anything could happen
Anything could happen
Anything could happen
Anything could happen
Anything could happen
Anything could happen
Anything could happen
Anything could
Baby, I'll give you everything you need
I'll give you everything you need, oh

I'll give you everything you need
But I don't think I need you
Stripped to the waist
We fall into the river

Cover your eyes
So you don't know the secret
I've been trying to hide
We held our breath
To see our names are written
On the wreck of '86
That was the year
I knew the panic was over
Yes since we found out
Since we found out
That anything could happen
Anything could happen
Anything could happen
Anything could happen
Anything could happen
Anything could happen
Anything could
I know it's gonna be
I know it's gonna be
I know it's gonna be
I know it's gonna be
I know it's gonna be
I know it's gonna be
I know it's gonna be
I know it's gonna be
Oh, whoa
But I don't think I need you
But I don't think I need you
But I don't think I need you
But I don't think I need you
